Positioned alongside prestigious communities including Palm Hills Katameya, PK2, Mountain View 2, and Azzar, the compound lies just 5 minutes from the American University in Cairo (AUC), 7 minutes from Al Rehab City and Suez Road, 15 minutes from the New Administrative Capital, and 20 minutes from Cairo International Airport.

About the Project

Fifth Square is a master-planned 158-acre integrated residential community developed by Al Marasem Development, engineered around low building density, lush open green spaces, and swimmable water bodies. The gated development features two expansive clubhouses (one dedicated to apartments and one for villas), multiple swimming pools, solar-powered pathway lighting, extensive jogging and cycling tracks, a standalone commercial shopping mall (The Mall at Fifth Square) hosting premier international retail brands, lifestyle dining promenades, secure underground parking facilities, and 24/7 smart gated security.

Concept

Spanning an expansive 178 m² build-up area delivered turnkey with hotel-grade finishes, imported porcelain flooring, installed air conditioners, and a modern fitted kitchen, this apartment eliminates renovation lead times, fit-out overheads, and inflationary price hikes entirely. Combining a well-proportioned 3-bedroom, 3-bathroom layout with immediate move-in readiness and the pricing leverage of a direct cash sale, it represents an outstanding turn-key home for families and a high-yield, ready-to-rent asset in New Cairo's most coveted residential corridor.
